## WHY JOIN MAPLE LEAF RFC?

By joining the Maple Leaf Rugby Football Club you are sending a message of support to the men, women, boys and girls that put in endless time and effort to represent Canadian Rugby on the national and international stage. The game of rugby in Canada is well represented in all ten provincial unions and is played by Canadian girls and boys, men and women. Although Canadian Rugby still benefits from the occasional player from overseas, the majority of new players to the game are young Canadian athletes. These young Canadians are the game's future. Help keep the dream alive – by offering your support through your participation in the Maple Leaf RFC you are strengthening the proud tradition of Canadian Rugby. – **COMMUNITY to COUNTRY**

The Maple Leaf RFC is an exciting initiative which gives the players in the national team a great sense of satisfaction. To know that supporters of Canadian rugby are willing to get behind our efforts on the field gives us an amazing sense of togetherness which adds to the pride of pulling on the Canadian jersey. The generous support we receive through donations to the Maple Leaf RFC will help every level of Canadian representative rugby achieve their goals, and in the process will help raise the profile of rugby at the provincial and regional levels. Together we can strive to become one of the top rugby nations!

On behalf of all of the players, coaches and support staff, I'd like to thank you in advance for your generosity!
